1. [REDACTED] wished to express its appreciation for your rapid and most helpful response to our request for map materials. The unclassified city maps of TIENTSIN, PEIPING and SHANGHAI, forwarded as attachment "E" to reference memorandum, have proven most useful to the operational components, particularly in terms of currency and detail. [REDACTED] would be interested in receiving English-language versions of the TIENTSIN and SHANGHAI maps if they become available to your office. (See attachment "A".) 25X1A2g

2. The Soviet map materials were also greatly appreciated. Their quality and content were precisely what was needed. We did not add that your promptness in forwarding these items has made a deep and lasting impression here.

3. [REDACTED] is receiving the Acquisitions Lists regularly now 25X1A2g and these, too, are much appreciated. We expect to forward some orders to your office in the near future. [REDACTED] has made these lists 25X1A2g available to the Urban Studies section of NSACHAPAC and they have found them of considerable value.

4. Chief [REDACTED] spoke with the Map Procurement officer 25X1A2g recently and he inquired as to the status of your proposal to fund an additional clerk in his office. As you know, we stand prepared to assist this arrangement in whatever manner we can. Please keep us informed and let us know if there is anything we can do from this end.

5. In conclusion, let us thank you once again for your excellent support.
